index

VOLUME 13
(4th SERIES) 1972.

A Page

Aerial baits for dingoes 60
Agriculture and pollution in W.A.....6, 34
Apples, Granny Smith, control of superficial scald 126
Apples, Granny Smith, pit and scald of 30

B

Barley for broiler rations 59
Bees affected by insecticides used on rape 83
Biscuit wheat in W.A. 2
Broiler rations, barley for 59
Broilers, grit for 124
Brucellosis, campaign against 70

C

Campaign against brucellosis 70
Cancer eye of cattle 53
Catchments for dams on sandy soils 96
Cattle, cancer eye of 53
Cobalt deficiency and sheep stocking rate 93
Control of sugarbeet eelworm 94

D

Dairy cattle stocking rates 30
Dairy herd as source of meat 75
Dam catchments for sandy soils 96
Dams, leaking 60
Dingoes, aerial baits for 60
Dust storms cause yield losses 121

F

Flower drop of sweet lupins 58
Frost injury to cereals 79
Fumigation for rabbit control 28

G

Glume blotch of wheat 31
Granny Smiths, pit and scald of 30
Granny Smiths, scald control 126
Grain moisture and atmospheric humidity 125
Grazing value of pasture plants 123
Grit for broilers 124

H

Hay quality studies 92

I

Insecticides used on rape, effect on bees 83
Insignia lowers wheat quality 41

K

Kimberley Research Station, review of progress 10

L

Lucerne, superphosphate for 122
Lupins, flower drop of 58
Leaking dams at Badgingarra 60

M

Machinery syndicates reduce hay-making costs 20
Market prospects for rapeseed, 1972-73 24
Meat from the dairy herd 75
Metric conversion for agriculture .. 74
Milk composition studies 63
Mineral deficiencies, soil and plant analysis for 97

N

Native budworm outbreak 121
New varieties for the peach grower 61
Nitrogen on rapeseed 29
Nutrient deficiencies in rape 49

P

Pasture and weed plants, ecology of 127
Pasture plants, grazing value of 123
Pasture weeds, control with spray-graze 16
Peaches, new varieties of 61
Pigs, sarcoptic mange on 93
Pit and scald on Granny Smith apples 30
Plant and soil analysis for mineral deficiencies 97
Plant cover for salt land 32
Pollution, agriculture and, in W.A...6, 34
Potato research 95
Probate, another farm cost 88

R

Rabbit control by fumigation 28
Rapeseed, effect on bees of insecticides used on rape 83
Rapeseed, market prospects, 1972-73 24
Rapeseed, nitrogen fertilisers for 29
Rapeseed, visual symptoms of nutrient deficiencies 49
Reproductive wastage in sheep in clover areas 57
Reproductive wastage in sheep in non-clover areas 91
Research and training centre for A.P.B. 126
Rural Reconstruction Scheme 65
Ryegrass, Wimmera, toxicity of 28

S

Sandy soils, dam catchments for 96
Sarcoptic mange, incidence on pigs 93
Scald control on Granny Smiths 126
Sheep fertility in W.A. 102
- Breeding season 108
- Embryonic mortality 118
- Facts and Figures 104
- Fertilization 116
- Lamb mortality 119
- Oestrus 109
- Ovulation 110
- Puberty 107
- Service 112
- Sperm transport 114

Sheep, meat production trial 31
Sheep, reproductive wastage in clover areas 57
Sheep, reproductive wastage in non-clover areas 91
Sheep, stocking rate and cobalt deficiency 93
Smooth-stemmed turnip 87
Snail investigations 62
Soil and plant analysis for mineral deficiencies 97
Spray-graze, the answer to weeds in pasture 16
Stocking rates, dairy cattle 30
Studies in milk composition 63
Sugarbeet eelworm control 94
Superphosphate for irrigated lucerne 122
Syndicates for hay-making machinery 20

V

Visual symptoms of nutrient deficiencies in rape 49

W

Weed, smooth-stemmed turnip 87
Weeds in pasture, control with spray-graze 16
Wheat, for biscuits in W.A. 2
Wheat, glume blotch of 31
Wheat, low quality of Insignia 41
Wimmera ryegrass toxicity 28
